IDENTITY

MISSION

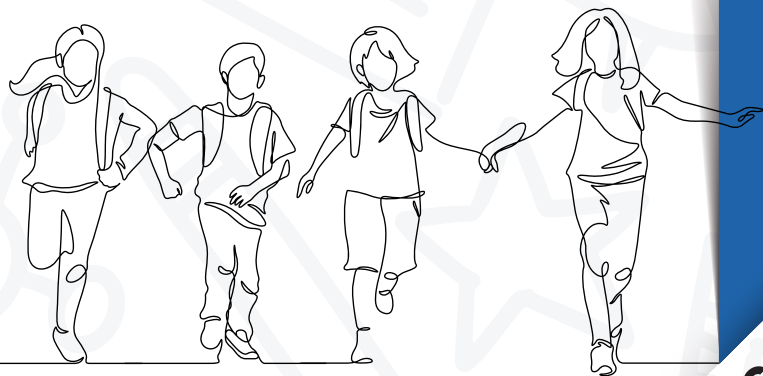

To provide a caring and reflective transformative educational experience that empowers students to achieve their highest academic potential, led by our trilingual languages and international culture to educate the next generation of communicators and thinkers.

VISION

Within the next decade, our vision is to successfully accomplish our mission by creating a dynamic learning environment that prepares students for global perspectives, interdisciplinary approaches, and emerging technologies with multilingual languages and diversity in cultures that ignite their critical thinking and leadership skills that a worldwide citizen requires.

LANGUAGE OF INSTRUCTION

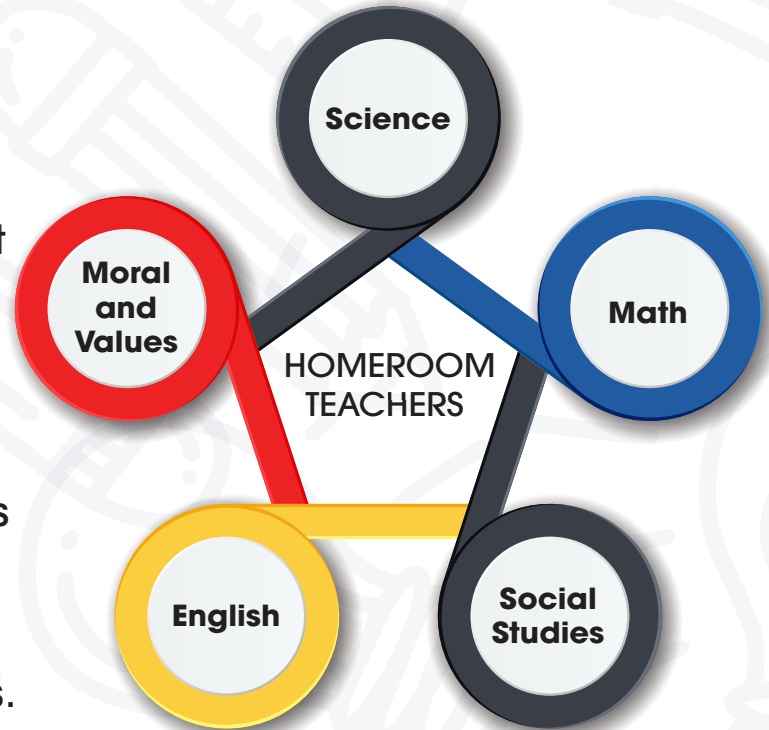

HOMEROOM TEACHERS BENEFITS

Ensures the English language of instruction is continued in the daily course of the students.

Creates connections and areas of development that a student requires to feel safe within the school and create a sense of community.

Ensures that the classroom is managed with a constructivist approach, which is the relation with the student and the crosscurricular activities with different subjects.

Direct communication with parents to present the areas of opportunity for each of the subjects.
